we can rock wit it or we can walk it out
baby we gon get it we gon show em how
baby, baby get rida him

you know you wanna get rida him
cuz i aint no kid like him
now let me take control
and ill replace him out on the dance floor
on the dance floor on the dance floor
and ill replace him out on the dance floor

on the dance floor on the dance floor
Yeah he might get get mad but it aint aint my bussiness
so i dont really care cuz sometimes life aint fair
plus ive been searching for a girl like you
to shake it how you shake and move the way you do
and if you want me to
ill take my time with chu
or we can speed it up
dancin like you want me to (hey)
we can rock wit it or we can walk it out
baby we gon get it we gon show em how
baby, baby get rida him
you see the kid in him
you gotta let him go (oh)
you know you wanna get rida him
cuz i aint no kid like him
now let me take control
and ill replace him on the dance floor

on the dance floor on the dance floor
and ill replace him on the dance floor
on the dance floor on the dance floor
