One Man Show

SirReal

I feel like I'm gonna go insane
'Cause I keep hearing your voice call my name
In an empty room girl you're the one I see
Let me tell you girl, we're history
I'm a one man show, I don't need no one
I'll be fine alone, oh yeah
You can call me but I won't pick up my phone
'Cause I'm a one man show, oh yeah
I don't need you girl
Girl you broke my heart and let me down
But I'll be better off if you weren't around
Took my love and threw it on the ground
Saying goodbye girl, don't make a sound
I'm a one man show, I don't need no one
I'll be fine alone, oh yeah
You can call me but I won't pick up my phone

'Cause I'm a one man show, oh yeah
I don't need you girl
I was so blind now I finally see
Everything you did to me
And I thought it might change
That we could find a place, we'd be happy too
I'm a one man show, I don't need no one
I'll be fine alone, oh yeah
You can call me but I won't pick up my phone
'Cause I'm a one man show, oh yeah, yeah
I'm a one man show, I don't need no one
I'll be fine alone, oh yeah
You can call me but I won't pick up my phone
'Cause I'm a one man show, oh yeah
I don't need you girl, yeah
