East On Tracks

Slick Shoes

Thrown out in the cold again
We don't have a place for you here
You did everything shy of call me stupid
Why not take this comfort awayYou've got everything else
Don't worry about me, I'll be fine
It's all right now, I've found my way
No thanks to you I'll be okayYou've showed me how to mistrust
No thanks to you I'll be okay
Could you come and walk with me
And help me not to stray?I need your strength to guide me
So show me how to trust and to know faith
I've paid a price I know
