Elizabeth, You Were Born To Play That Part

Ryan Adams

For you, I'd do anything
Tear myself in two
Just to hear you breatheCalculate the changes that in time
Turn to nothing and then multiply
Yourself by my painOver you, is where I stand
I wish, I knew why
But I don't understandWaiting on someone that just won't show
And every night it seems like there's no tomorrow
Not that you will ever knowWherever you are I hope you're happy now
I'm caught in a dream and I can't get out
I'm caught in a dream, I'm caught in a endless dreamWherever you are I hope you're happy now
I'm caught in a dream and I can't get out
I'm caught in an endless dreamI'm not strong enough to let you go
And I have tried everything but that oh, Elizabeth
