Holla At the DJ

Coco Jones

Fresh off the flight with my brand new shoes on
They ain't even out yet, let me introduce 'em
I do my two step, hey right in front of ya
Meet me at the door, it's kinda crazy cuz I'm popular

Holla at the DJ and tell him turn it up
Holla at the DJ and tell him turn it up

You see me turn it up
And make it supersize
We about to burn it up
Just call me firefly

So what, so what
Talk about it
You want, you want
Yeah they wanna know about it
They want, they want
They wanna see about it
They wanna stand around the club all night and think about it

Amplify the recipe
Every time you look at me
I love it when I hear the sound (oh yeah)
Turn the music up for me
DJ, are you listening
Let the beat drown us out (oh oh oh oh oh oh...)

Holla at the DJ and tell him turn it up
Holla at the DJ and tell him turn it up
Holla at the DJ and tell him turn it up
Holla at the DJ and tell him turn it up

Land in my spaceship, we didn't come to play
Take over your area, we do this everyday
Call yourself a Martian, well I'm from Jupiter
Spin around you so fast, you can never catch me up

Holla at the DJ and tell him turn it up

Holla at the DJ and tell him turn it up

Cuz I like when the beat drop
Play that record for me
Clap my hands make me dance
Rockin' on the floor

So what, so what
Talk about it
You want, you want
Yeah they wanna know about it
They want, they want
They wanna see about it
They wanna stand around the club all night and think about it

Amplify the recipe
Every time you look at me
I love it when I hear the sound (oh yeah)
Turn the music up for me
DJ, are you listening?
Let the beat drown us out (oh oh oh oh oh oh...)

Holla holla, h-holla holla, h-holla holla
Play that record for me
Holla holla, h-holla holla, h-holla holla
We rockin' on the floor
Tell the DJ turn it up

Amplify the recipe
Every time you look at me
I love it when I hear the sound (oh yeah)
Turn the music up for me
DJ, are you listening?
Let the beat drown us out (oh oh oh oh oh oh...)
