All Is For God

Juliette Lewis

If you feel like you cant go on
All is for none, All is for none
If you feel like youve been undone
All is for God, All is for GodHey hey hey hey ooh ooh ooh ooh
Hey hey hey hey ooh ooh ooh oohI feel like I cant get on till I see you, till I feel you
Is it all wrong everything weve done, I cant feel you oh I need youHey hey hey hey ooh ooh ooh ooh
Hey hey hey hey ooh ooh ooh oohIts living inside this pain and my pride, I cant leave you but I cant love you
Secrets we hold burn in our soul and all I want is to love and let goHey hey hey hey ooh ooh ooh ooh
Hey hey hey hey ooh ooh ooh oohIf you feel like you cant go on
If you feel like you cant go on
All is for God
All is for God
