Still Believe

Terror

Do you feel what I feel? 'cause I feel..
Do you see the things that I see?
Do you hear this words that I speak?
Do you still believe?
Do you feel what I feel? 'cause I feel..
Do you see the things that I see?
Do you hear this words that I scream?
Do you still believe?
Do you feel what I feel?
Am I the only one that sees?
Won't you give it all? Lay it on the line?
Do you know what this means?
Do you feel what I feel? 'cause I feel..
Do you see the things that I see?
Do you hear this words that I scream?
Do you still believe?Am I the only one that sees?
Won't you give it all? Lay it on the line?
Do you know what this means?
Do you feel what I feel? 'cause I feel..
Do you see the things that I see?
Do you hear this words that I scream?
you ? that I still believe,
The only truth that I ever found
All my will remains unbound,
You're broken, I'm broken,
And I still believe (I BELIEVE!)
And I still believe (I BELIEVE!)
And I still believe,
you ? that I still believe,
Do you feel what I feel? 'cause I feel..
Do you see the things that I see?
Do you hear this words that I scream?
I gotta know, do you still believe?
