Freak Like Me

Carlos Fauvrelle

Let me lay it on the line
I got a li'l freaky-ness inside
And you know that a mans gotta deal with it
I don't care what they say
I'm not about to pay anybodys way
'Coz its all bout the dark in me, hmm
I wanna freak in the mornin', freak in the evenin'
Just like me
I need a rough neck brother that can satisfy me
Just for me
If you are that kind of man
'Coz I'm that kind of girl
I gotta freaky secret everybody sing
'Coz we don't give a damn about a thing
'Coz I will be a freak until the day until the dawn
And we can pump
All through the night to the early morn
Come on and I will take you round the hood on a gangsta lean
'Coz we can pump
Anytime of days its all good for me
Boy your movin' kind of slow
You gotta keep it up there you go
There just on thing that a man must do hmm
I'm packin' all the flavors you need
I got you shook up on your knees
'Coz its all 'bout the dark in me
I wanna freak in the mornin', freak in the evenin'
Just like me
I need a rough neck brother that can satisfy me
Just for me
If you are that kind of man
'Coz I'm that kind of girl
I gotta freaky secret everybody sing
'Coz we don't give a damn about a thing
'Coz I will be a freak until the day until the dawn
And we can pump
All through the night to the early morn
Come on and I will take you round the hood on a gangsta lean
'Coz we can pump

Anytime of days its all good for me
Good for me
I wanna freak in the mornin' and freak in the evenin'
Just like me
I need a rough neck brother to satisfy me
Just like me
I wanna freak in the mornin' and freak in the evenin'
Just like me
I need a rough neck brother that can satisfy me
Just like me
I wanna freak in the mornin' and freak in the evenin'
Just like me
I need a rough neck brother that can satisfy me
Just like me
