

# Little Girl

[Nat King Cole](#)

You're the one girl for me  
You're as sweet as can be Just a glance at you meant  
Love from the start  
And oh, what a thrill came  
Into my heart With your cute little ways  
I am yours  
For the rest of my days And this great big world  
Will be divine  
When you are mine, oh mine, yeah  
And this great big world  
Will be divine  
When you're mine, oh mine
