

# Dogs Of Lust (Squirmicide Mix)

## The The

Here they come! the dogs of lust.  
Out of my mind. into my life.  
Somebody should be here to hold me  
Somebody should be here to show me, show me! When you're lustful. when you're lonely.  
& the heat is rising slowly. I got it blue. I got it bad.  
I got the sweetest sadness I ever had.  
As the hours pass before my eyes.  
As the hours pass before me. When you're lustful. when you're lonely.  
& the heat is rising slowly. I keep reaching up  
But they drag me back down  
Wherever I try to hide  
I will always be found When you're lustful. when you're lonely.  
& the heat is rising slowly. Rising rising rising slowly  
Rising rising rising  
Rising rising slowly.
