Broken Inside

We As Human

im not redy yet, to say goodbye to you
so many things that i wanted to do,
like hold you close untill you loved me too
i dont understand, just why your letting go
i know youd love me if you only knew,
that i am not a monter growing inside of you
now i cry, broken inside
now everything in my world seems wrong
life is not a game, for girls and boys to play
you simply change the rules,
when it dont turn out your way

what gives us the right, to end a childs life
all your excuses cant remove the pain,
that they feel when we decide to take theyre breath away
so just close your eyes, pretend theyre not alive
but all your lying cant destroy the truth,
these babys that we murder withvour wrights to choose
now i cry, broken inside
now everything in my world seems wrong
life is not a game, for boys and girls to play
you simply change the rules,
when it dont turn out your way
