Body On Me

Nelly

The way that youre walkin, the way that youre talkin
Youre the one I wanna spend this night with
Tryna get in them drawers and bang it out til the mornin
I can already tell you want itCause youre shakin it all for me, givin it all to me
Rubbin that body on me
Keep on shakin it all for me, givin it all to me
I'm lovin' that body on meHey how you doin mama? I need to know your name
You givin me the eye eye, Im givin you the same
It just hit me right now what we should do today
Go tell you friends bye bye and lets go hop a planeIts no mistakin, the attractions ironic
I wanna make you someone more than just a bone in my closet
I wanna win that type of relationship
Where you gon wanna come hang when youre man been tripYou say you're short this month and youre late on your rent
He took your car, what ya mean? Hold this, yeah yeah
Uh, whoa, you see lil mama outta control
And Im just sayinThe way that youre walkin, the way that youre talkin
Youre the one I wanna spend this night with
Tryna get in them drawers and bang it out til the mornin
I can already tell you want itCause youre shakin it all for me, givin it all to me
Rubbin that body on me
Keep on shakin it all for me, givin it all to me
Im lovin that body on meShorty movin closer and closer
And slower and lower, yeah
I think she know she makin me hard
Got every man in the building like, Oh my god!She slicker than loddy doddy, she work her body body
When you down here at the party, meet me down there in the lobby
And Ill be waitin on ya, aint no debatin on ya
I got a seat for ya, we can let the top back and goWe dont have to stop girl, no
I got a lil something I wanna show
Believe me, you're strong
Lil mama please dont make me wait too longThe way that youre walkin, the way that youre talkin
Youre the one I wanna spend this night with
Tryna get in them drawers and bang it out til the mornin
I can already tell you want itCause youre shakin it all for me, givin it all to me
Rubbin that body on me
Keep on shakin it all for me, givin it all to me
Rubbin that body on meNow I see you lookin at my body baby
Now you wanna come and put it on me

If I gave it to you, could you promise me
That you could make it feel like you never did?Cause I see you and you see me
Now if I please you, could you please me?
Now I aint the one in no relationship
And I aint tryna to be the other chick
I know you want itThe way that youre walkin, the way that youre talkin
Youre the one I wanna spend this night with
Tryna get in them drawers and bang it out til the mornin
I can already tell you want itCause youre shakin it all for me, givin it all to me
Rubbin that body on me
Keep on shakin it all for me, givin it all to me
Rubbin that body on me
