Intro

Trae tha Truth

so screw?
wussup...
tell me exactly what is it that you do?
actually what i do im a dj.. mixtape ...i got my own lil' style..i screw the music yaa know what im sayin.. i slow the music down with a pitch..pitch control on the turn tables basically i jzt mix the records up.change it yaa know what im sayin.we do beats of the instrumentals of one record onto another working with the vocals just gives it like a remix. sorta my version yaa know what im sayin..slow it down all together like a screw mix.its
your nigga big ass moe chillin with my patna name moe
in the turning lane swang down cause we on 4s mayne
fire up a fat sweet turning on the bulb lights hand on the wood grain ass on the tight white
