Find My Way (Oneohtrix Point Never Remix)

Nine Inch Nails

All of my path has gone astray
I'm just trying to find my way
Wandered here from far away
I'm just trying to find my wayYou were never meant to see
All those things inside of me
Now that you have gone away
I'm just trying to find my wayI have made a grave mistake
Pray the Lord, my soul to take
Those of who we used to be
I can feel them come for meLooks as though they're here to stay
I'm just trying to find my wayPlease, I never meant to
Please, I never meant for thisI have been to every place
I have been to everywhere
I'm just trying to find my way
Oh, dear Lord, hear my prayer
