Just Go

Mitchel Musso

You seem like there's something on your mind
But you won't say what's up with you today
And there it goes every time that stupid little chime
On your stupid little phone, it's like I never get you aloneSo go, you're making me feel
You wanna be there and I kinda don't care
Go, so long, get gone
I know you won't be gone longGo, if you wanna stay
And make up, make out
I'm gonna play but if you don't
Baby, just go, whoa, whoa, baby, just go, whoa, whoaYou seem like you don't know what I'm talkin' bout
But you, you do what you want to
If you're gonna stay the same
And nothings ever gonna changeThen go, you're making me feel
You wanna be there and I kinda don't care
Go, so long, get gone
I know you won't be gone longGo and if you wanna stay
And make up, make out
I'm gonna play but if you don't
Baby, just go, whoa, whoa, baby, just go, whoa, whoaGo, go on and do what you wanna do
'Cause you're gonna do it anyways
Go, on and do what you gotta do
Don't come back to me, girlGo, you're making me feel
You wanna be there and I kinda don't care
Go, so long, get gone
I know you won't be gone longGo and if you wanna stay
And make up, make out
I'm gonna play but if you don't
Baby, just go, whoa, whoa, baby, just go, whoa, whoaGo and if you wanna stay
And make up, make out
I'm gonna play but if you don't
Baby, just go
