The Poor House (Album Version)

The Boxmasters

Renos sparkling ahead honey I thought Id give you a call.
Im looking for tomorrow to be sunny in the midst of this snowfall.
I let you and kids down for way too long now,
Im hoping to turn our life around if I can just figure out how.Im working on a plan to save our home
Keep us outta the poor house, pay off those loans
Im working on a plan to save our home
Keep us outta the poor house, and I wont do it stoned.Ill sit with the grannies at the nickel machines and pull handles til my hands are blue
Ill do just about anything to bring a future home to you
I put down the Pales and liquor
You know I tried to keep a job
I just think thisd be quicker
If I could win a little off the mobIm working on a plan to save our home
Keep us outta the poor house, pay off those loans
Im working on a plan to save our home
Keep us outta the poor house, now that Im not stoned.Well my plan didnt work exactly honey, but I do have a little good news:
Im not bringing home any money, but I didnt turn back the booze.
I guess its back to the drawing board, ideas are starting to brew
Im bringing back all I can afford and thats love to the kids and you.Im working on a plan to save our home
Keep us outta the poor house, pay off those loans
Im working on a plan to save our home
Keep us outta the poor house, and build a house of stone.
