Give Me Something

The Mud Howlers

Give me somethin'
You've got to give me somethin'
Deep in my heart

You see your injection
To my direction
It's coming strong
But not for long
I got the power to let you know
But what you want, here, it's not for show
Though you're looking good and smelling hot
It's not enough to feel the power
So if you want what I got
You've got to give me somethin'
That hits us for

Deep in my heart we both know that it's true
