Cath

Death Cab for Cutie

Cath...
She stands with a well intentioned man
But she can't relax with his hand on the small of her back
As the flashbulbs burst she holds a smile
Like someone would hold a crying childSoon everybody will ask what became of you
'Cos your heart was dying fast
And you didn't know what to doCath...
It seemed that you live in someone else's dream
In a hand-me-down wedding dress
With the things that could have been are repressed
But you said your vows and you closed the door
On so many men who would've loved you moreSoon everybody will ask what became of you
'Cos your heart was dying fast
And you didn't know what to doThe whispers that it won't last roll up and down the pews
And if your hearts were dying that fast
They would have done the same as you
And I would've done the same as you
