Fall Into The Light (Prequel Tapes Remix)

Fink

We fall into the light
We fall into the night
We fall into each other
We fall into the light
We fall into the night
We fall into each otherIf we go, we go, we go
With positivity
If we leave, we leave, we leave
Positively
Like knowing, knowledge flows
We flow into each other
We flow into the colour
We fall into the light
We fall into the night
We fall into each otherIf we go, we go, we go
With positivity
If we leave, we leave, we leave
Positively
We fall into the light
We fall into the night
We fall into each other
We fall into the light
