What It Feels Like

Amina Buddafly

Looking out my window
On a Monday night
Thinking 'bout how I got myself into it this time
Love in good intentions
I know we've got them both
So I'm aware I should be where I let you get too close
Something I know is that
I never felt a love like this
And no matter how it ends
I'd do it all over again
And nothing can make me turn away from you
Or no matter if I lose, I'll be glad that I had you, so
I know what it feels like
I know what it feels like
I know what it feels like now
If you're of deception
I've gotta satisfy my greed
Knowing I might very well get left in agony
Still I keep on longing
For one moment as it lasts
And I don't see why I should leave this beautiful big mess
Something I know is that
I never felt a love like this
And no matter how it ends
I'd do it all over again
And nothing can make me turn away from you
Or no matter if I lose
I'd be glad that I had you, 'causeI know what it feels like
I know what it feels like
I know what it feels like now
I know what it feels like
I know what it feels like
I know what it feels like now
Maybe I shoule be afraid
Maybe I should put the brakes on
Let go, let you move on
But I'm living for today
And wherever my destiny takes me
I know it's with you here

Something I know is that I never felt a love like this
And no matter how it ends
I'd do it all over again (I'd do it all over)
Nothing can make me turn away from you
And no matter if I lose (no matter) I'd be glad that I had you, 'causeI know what it feels like
I know what it feels like
I know what it feels like now
I know what it feels like
I know what it feels like
I know what it feels like nowLooking out my window
On a Monday night
Thinking 'bout how I got myself into it this time
