Vacation

Richard X. Heyman

Come on, come on, come on
Let's go
Come on, come on
Let's go
Come on, come on, come on
Let's go
Come on, come on
Let's go
Vacation, need a little sun
To break up all the frustration and turn it into love
Ain't nobody gonna tell us what we gonna do
Because today it's up to you
Temptation comin' up to me
A little relaxation and I'll be great to be
Come on and weeky weeky loo at the
It's gonna start now
Kick it back, kick it back
Kick it back to the track
Kick it back, kick it back
Kick it back to the max
Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday, it's time to celebrate
'Cause I need a break, I need a vacation
Vibrations need to get me some
And drive out all my complications and turn them into love
Ain't nobody gonna tell us where we gonna be
Because today, today it's you and me
Vacation's what I wanna do
Party on the beach, fun for me and you
We don't need a holiday, it's time to celebrate
Repeat after me, "I need a vacation"
Let's go, let's go
Let's go, let's go
I wanna be where the fun is free
So come with me
Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday, it's time to celebrate

'Cause I need a break, I need a vacation
'Cause I need a break, I need a vacation
Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday, it's time to celebrate
'Cause I need a break, I need a vacation
Repeat after me, "I need a vacation"
(I need a)
Vacation
(Come on and)
Vacation
(I need a)
Vacation
(Come on)
Vacation
Let's go
Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday, it's time to celebrate
'Cause I need a break, I need a vacation
'Cause I need a break, I need a vacation
Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday, it's time to celebrate
'Cause I need a break, I need a vacation
