Water

Dionne Farris

Hey manDon't go near the water if you don't like to swim
'Cause somebody just might try and push you in
Don't go near the water if you don't like to swim
'Cause somebody just might try and push you inWell, how many times have I told you
Not to get your feet wet
If you don't like the water on you
My baby, baby, baby get backDon't go near the water if you don't like to swim
'Cause somebody just might try and push you in
Don't go near the water if you don't like to swim
'Cause somebody just might try and push you inSee just because it may look good
Don't mean you always have to indulge
'Cause that's when, when it happens
And you never know, you might fall overboardDon't go near the water if you don't like to swim
'Cause somebody just might try and push you in
Don't go near the water if you don't like to swim
'Cause somebody just might try and push you inIt don't mean you always have to indulge
That's when, when it happens, keep goin'
And you never know, you might fall overboard
Keep goin', keep goin'Don't go near the water if you don't like to swim
Be ready to go back to the [Incomprehensible]
Don't go near the water if you don't like to swim
'Cause somebody just might try and push you inI hope you're listenin' to what you hear
'Cause I would never tell you, no wrong
But you don't have to believe me
'Cause after all it's only a songDon't go near the water if you don't like to swim
'Cause somebody just might try and push you in
Don't go near the water if you don't like to swim
'Cause somebody just might try and push you inThat's fun, yeah it was
