

# Baby I Love Your Way

Peter Frampton

Shadows grow so long before my eyes  
And they're moving across the page  
Suddenly the day turns into night  
Far away from the city  
But don't hesitate 'cuz your love won't wait Ooh baby, I love your way, everyday  
I wanna tell you I love your way, every way  
I wanna be with you night and day, ooh yeah Moon appears to shine and light the sky  
With the help of some fire flies  
Wonder how they have the power to shine, shine, shine  
I can see them under the pine  
But don't hesitate 'cuz your love won't wait Ooh baby, I love your way, everyday  
I wanna tell you I love your way, every way  
I wanna be with you night and day But don't hesitate 'cuz your love won't wait I can see the sunset in your eyes  
Brown and gray and blue besides  
Clouds are stalking islands in the sun  
Wish I could buy one out of season  
But don't hesitate 'cuz your love won't wait Ooh baby, I love your way, everyday  
I wanna tell you I love your way  
I wanna be with you night and day Ooh baby, I love your way  
I wanna tell you I love your way  
I wanna be with you night and day, yeah
