Out of Sight

[Natural Child](#)

You say it's not that bad
Getting old
You say it's not that bad
Getting old
Always do what you're told
Always do what you're told
You say it's not that bad
Getting oldYou say it's not that that rough
Giving up
You say it's not that rough
Giving up
You used to be tough
You used to be tough
You say it's not that rough
Giving upYou say you're not that scared
Of what isn't there
You say you're not that scared
Of what isn't there
Out of sight out of mind
Out of sight out of mind
You say you're not that scared
Of what isn't there
