The Thing

Daniel Caine

I was driving, doing nothing on the shores of great Salt Lake
When they put it on the air, I put it in the hammer lane
I soon forgot myself and I forgot about the brakeI forgot about all laws and I forgot about the rain
They were talking on the Nine and all across the Amy band
Across the road, they were turning around and headed south with meIt got so crowded on the road, I started driving in the sand
My head was feeling scared but my heart was feeling free
The desert turned to mud, it seems that everybody heardEverybody was remembering to forget they had the chills
Then I heard the voices on a broadcast from up on the bird
They were getting interviewed by some good man whose name was BillI'm almost there to Vegas, where they're puttin' on a show
They've come so far, I've lived this long
At least I must just go and say, "Hello"
