

# The Thing

## Daniel Caine

I was driving, doing nothing on the shores of great Salt Lake

When they put it on the air, I put it in the hammer lane

I soon forgot myself and I forgot about the brakeI forgot about all laws and I forgot about the rain

They were talking on the Nine and all across the Amy band

Across the road, they were turning around and headed south with meIt got so crowded on the road, I started  
driving in the sand

My head was feeling scared but my heart was feeling free

The desert turned to mud, it seems that everybody heardEverybody was remembering to forget they had the  
chills

Then I heard the voices on a broadcast from up on the bird

They were getting interviewed by some good man whose name was BillI'm almost there to Vegas, where  
they're puttin' on a show

They've come so far, I've lived this long

At least I must just go and say, "Hello"
