

Addiction (Extended)

Medina

Should I drink another drink
Say another lie
I know that you may think
That I'm a broken little bird in my mindCause I'm falling on the floor
I'm climbing up the walls
And everytime I get a grip
I seem to lose myself just a little moreCause I am here and it eats me up
But I love the way it feels
I really shouldn't stay
But I can't give up
The more it hurts, the more I needIt's like an addiction
It's like an addictionShould I drink another drink
Am I running out of time
Confusion makes me think
This solution is beyond my sorry mindCause I am here and it eats me up
But I love the way it feels
I really shouldn't stay
But I can't give up
The more it hurts, the more I needIt's like an addiction
And I just can't break free of the madness
It's like an addiction
Am I the only one with the sadness
It's like an addiction
And I just can't break free of the madness
It's like an addiction
Am I the only one with the sadnessI can't let go
I, I, I can't let go
I, IIIt's like an addiction
And I just can't break free of the madness
It's like an addiction
Am I the only one with the sadness
It's like an addiction
And I just can't break free of the madness
It's like an addiction
Am I the only oneI can't let go
I, I, I can't let go
I, II can't let go
I, I, I can't let go

I, I
