Delight

Marshvll

Wanna feel u
Wanna touch u
Wanna have u
Would u be my light?
In this night
The same bright
I feel right
So right
Love u
Wanna hold u
Wanna kiss u
Would u be my light?
In this night
The same bright
I feel right
So right
I really wanna feel the way I?am on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
It?s gonna be a crazy night for me and u
Na na na na na(x3)
Wanna feel u
Wanna hold u
Wanna kiss u
Wanna save u
Wanna love u
Wanna touch u
Wanna still u

That?s mine
Feel u
Wanna hold u
Wanna love u
We can dream under moonlight
Watching u is a delight
Ooo
I really wanna feel the way I?am on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do

It?s gonna be a crazy night for me and u
Na na na na na(x3)
Can stop the time?
This moment is so so [blind]?
Is that a sign?
I have to make u mine
Let?s stop the time
Ur touch is so so blind
I have to make u mine(x2)
I really wanna feel the way I?am on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
It?s gonna be a crazy n
