Attention

The Weeknd

[Verse 1: The Weeknd]
Baby, you are so strong
Baby, you are calm, you are so calm
Tell me where it went wrong
Tell me how to love, it's been so long
When I close my mouth, and you just need to touch
Thinking twice on my one
But you just need to trust[Hook: The Weeknd]
You're only looking for attention
You only notice it cause I never abrupt
You're only looking for attention, oh, oh
You're only looking for attention
The only problem is you're never good enough
You're only looking for attention, oh, oh[Verse 2: The Weeknd]
What do you expect now?
Only thing left is the sex now
Cause baby, too vexed now
Only see me on the TV or the bed now
When it touched my mouth, you were more than a fuck
Thinking twice on a one
But you just need to trust[Hook: The Weeknd]
You're only looking for attention
You only notice it cause I never abrupt
You're only looking for attention, oh, oh
You're only looking for attention
The only problem is you're never good enough
You're only looking for attention, oh, oh[Interlude: Cashmere Cat]
I need more than [?]
Every time I touch my mind
I need more of this
When you leave me smilin' (touch me)[Hook: The Weeknd]
You're only looking for attention
You only notice it cause I never abrupt
You're only looking for attention, oh, oh
You're only looking for attention
The only problem is you're never good enough
You're only looking for attention, oh, oh[Outro: Cashmere Cat]
Oh
Oh

Oh
Oh
Oh
Oh
Oh, yeah
