Terrorvision

Genitorturers

Turning on your Terrorvision
Only seeing what we're giving
I'll plant a seed of violence into every little head
Hail to the Freaks!! We got a freak show coming!
Channel 1,2,3
When you turn on me, that's destiny
That when you turn me on, you burn in bed
When you play with me
A game of chance is what your playin
When you turn on me, that's destiny
That when you turn me on, you burn in bed
Only hearin what we're saying
While I plant a seed of violence into every little head
Hail to the Freaks!! We got a freak show coming!
Coming for contagion, Cummin on the nation!
True lies, come and get you some, Channel 1,2,3
True lies, Living free! True lies, trip is free!
True lies, come and get you some, It's what you got to see
'Round and round and round and round she goes
Round and round and round and round she goes
Where she stops, Nobody knows!!
Where she stops nobody knows
True lies, living free! True lies, trip is free!
For you and me
