Softly Softly

The Equals

I love Jenny - Jenny loves me
I'm in trouble as you will see
I went to see Lucy (Lucy)
This morning at half past three (Whoopie)
The floorboard started to squeak.
Softly
softly
softly
softly
softly.
(Hey
hey
hey)
Hold on Baby
I'm coming.I'm in trouble - Trouble loves me
Great confusion
Lord help me!
Beginning of the end for me (Whoopie)
And I didn't even kiss Lucy (Lucy)
But Jenny was so moisy
Softly
softly
softly
softly
softly.
(Hey
hey
hey)
Hold on Baby
I'm coming.I said
I love Jenny - Jenny loves me
I'm in trouble as you will see
I went to see Lucy (Lucy)
This morning at half past three (Whoopie)
The floorboard started to squeak.
Softly
softly
softly ...
