Wrathchild

Sicko

Just beyond the neon lights
Where the city is full of rats
It's a neverending fight
Between good 'n' evil
You must be strong or you will die
You've got the guts
And got the power
To break out
So you ain't running..This is your story
It's all about you
Yeah, it's all about youWrathchild
You beat up everyone in your way
Never satisfied
With a wall all around youBut you ain't gonna lose
'Cause you're the one
Who can break the chains
Oh you ain't gonna lose
'Cause you're the one
To run through hell and flames!You ain't gonna lose
'Cause you're the one
Who can break the chains
Ah you ain't gonna lose
'Cause you're the one
You're the oneYou ain't gonna lose!
