Genevieve

Jai Paul

That fucking number cruncher
stole my thunder, again
They say I ain't half the man
I act like I am, I say look
You can see the gift in my smile
You know it's worthwhile, yeah you do
I like the way you walk in them shoes
They don't make em' like you, any moreThat's why I'm begging you (Genevieve)
Why don't you come (back to me)
Why don't you even (talk to me)
Let's go back to (how we used to be)
YeahIt's like the more I try,
The more you just lie, and that's a trait
Remember how we used to (synth sex)
I know you felt too, yeah I do
That's why you keep me hanging around,
Enough to know that I'm bound to your heartThat's why I'm begging you (Genevieve)
Why don't you come (back to me)
Why don't you even (talk to me)
Let's go back to (how we used to be)
YeahThat's why I'm telling (Genevieve)
Why don't you come (back to me)
Why don't you even (talk to me)
Let's go back to (how we used to be)
YeahWhy don't you give me a chance
You never know it might last If you do
You can't just play on my mind
For more that it's time, that ain't right
You can see the gift in my smile,
You know I'm worthwhile, yeah you do
I like the way you (startled woman)
They don't make em like you anymoreThat's why I'm telling you(Genevieve)
