

Love & Happiness

David Sanborn

Love and happiness...
something that can make you do wrong, make you do right...
Love...Love and happiness
Wait a minute...
something's going wrong
someone's on the phone
three o'clock in the morning
talkin' about how she can make it right
well,
happiness is when you really feel good with somebody
nothing wrong with being in love with someone
oh, baby, love and happiness
love and happiness...
love and happiness...Love and happiness
You be good to me
I'll be good to you
we'll be together
we'll see each other
walk away with victory
oh baby,
love and happiness...
love and happiness...Make you do right... love'll make you do wrong...
make you come home early...
make you stay out all night long...
the power of love...wait a minute,
let me tell you...
the power of love...
make you do right... love'll make you do wrong...
make you want to dance...
love and happiness...
love and happiness...love is... wait a minute... love is...
walkin' together...
talkin' together...
say it again...
say it together...
Mmmm....
