Love Factory

Sunday Painters

I don't want no part,
Of the love factory
I ain't no machine baby
I'm a human being

Whoa! I don't want no part,
of the love factory
I ain't no machine baby,
I'm a human being

You want to put me on your seven day line,
just come around and see me,
you'll get to try,
I'm Just one of your precious toys,
That playin' with is destroyed
