

# Easy to Love

**Harry Connick, Jr.**

You'd be so easy to love  
So easy to idolize all others above  
So worth the yearning for  
So swell to keep every home fire burning for We'd be so grand at the game  
So happy together that it does seem a shame  
That you can't see your future with me  
'Cause you'd be, oh, so easy to love Oh, we'd be so grand at the game  
So carefree together that it does seem a shame  
That you can't see your future with me  
'Cause you'd be, oh, so easy to love
