The Fool I Had Become

Pugwash

I saw the good, saw the bad,
Heard the laughter, felt the sad,
Watched the world go by and then...
Felt the hurt, healed the pain,
Saw my face in the dirt again
Never thought it would ever end
I was a fool to give you everything
I was a fool to tell the world
I just assumed I was the only one
The fool I had become
Can it be really true that the dark was inside of you
All the years I never knew
Even though we used to fear that this would always end in tears
I wish you well, I wish you well
'Cause I was a fool to give you everything
I was a fool to tell the world
I just assumed I was the only one
The fool I had become,
The fool I had become...
