Shake

The Supremes

Shake, shake, shake
Listen while I talk to you, oh yeah
Tell you what we're gonna do, alright
And there's a new dance going around, oh yeah
And I tell you that we're putting you down, oh yeah
Just move your body all around
And just shake, oh mama
Shake, I said that's the way to do it
Shake, come on you're looking good now
Shake it like a bowl of soup, oh yeah
Make your body loop de loop, alright
Put your hands on your hip, oh yeah
You kinda let your back bone slip, alright
Just move your body like a whip
And just shake, oh mama
Shake, I said that's the way to do it
Shake, come on now girls
Dingelingeling, honey shakin' is the latest thing
And if you wanna swing
Just loosen up your shoulders
And if you wanna really roll, oh yeah
You got to do the thing with soul, alright
Shake it, shake it with all your might, oh yeah
And now if you do it, do it right, oh yeah
Just move your body loose tonight
And just shake, oh mama
Shake, come on honey
Shake, I said that's the way to do it, shake
Loosen up your shoulders
And if you wanna really roll, oh yeah
You gotta do the thing with soul, alright
Shake it, shake with all your might, oh yeah
And now if you do it, do it right, oh yeah
Just make your body loose tonight
And just shake, oh mama
Shake, I say that's the way to do it
Shake, come on now girls
Shake, come on now Florence
Shake, I say that's the way to do it

Shake, come on now Mary
Shake, come on now Supremes
And shake, I say that's the way to do it
Shake, come on now mama
Shake, I say that's the way to do it
Shake, come on now papa
