The Letter

Newsboys

I wrote you a letter
Things could be better
Full of promises
You got hope and dreamDid you get it?
Have you read it?
It talks about you and me
And the future, you seeSomething no one can do
Is take the place of you
Oh, can't you see
Youre one of a kind?Child, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, youre one of a kindSometimes
Every things too much
Like the deepest cut
That hurts to be touchedWhen you hear it
When you feel it
Don't let it have its way
I'm trying to saySomething no one can do
Is take the place of you
Oh, can't you see
Youre one of a kind? OhChild, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, youre one of a kindI know it's hard to hear promises
When the blue has turned to gray
Nobody said it was easy
But I know you'll find your way, ohChild, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Yeah, youre one of a kindChild, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, youre one of a kindOne of a kind
One of a kind
You're one of a kind
You are, you are
