Where Da Money Go?

The Jim Jones Revue

Got no good answers when I ask you why
Sure things aint hard for you to justify
Well
Starving on a wreck gettin fat an old ahhh
My reputation is to hell and gone
Come on boysWell I wanna know
Where did all the money go
Ahhhhhhh your pants are on fire
You know what you are
You're a L L L L L L LIARWell...
What's your is mine and what's mine I keep
You took the whole thing while you was all asleep
Well..
Your life without you is really hard to live
Ahhhhhh I'm gonna take me to church so you can learn to forgive
You better know your place boyAhhhh let the record show
Yeah man where did all the money go
Whooo your pants are on fire
Huh
You're a L L L L L L L L L L L LIAR HA HAGot no excuse and that a no surprise
Sure wouldn't expect you to apologise
You were always a dick but now you crossed the line
There more to your life than a dollar signAhhhhhhh we all wanna know
Where where where where where where did all the money go
Whoooo your pants are on fire
You're a LIIIIIIIIIIAR
Yes you areYou're a LIAR
