

# Can Us Believe

Robin Thicke

Nothing can make you high  
Or put fire in your eyes  
Or give you a chance to fly  
When you need the wings  
When all that youve got is doubt  
And nothing can stop you from feeling down  
But oh i know, i know exactly how you feel

But can you believe now  
When youre on your knees now  
Begging and pleading now  
Can you believe  
When all that youve got is doubt  
And no one to pull you out  
When your heart is slowin down  
Can you believe

See the person i love the most  
Is so far away tonight  
And no other medicine or promise is  
Gonna heal me up right  
But i got to believe  
That her and me  
Will be together  
Cause thats all i got  
And oh, i know  
When youre down at the bottom  
Can you believe

Can you believe when all hope seems gone  
When your mother and father cant keep you safe from harm  
Can you forgive in your heart  
Can you ask for forgiveness  
When nobody else believes can you believe  
Can you believe in yourself

If nobodys watchin  
You will never know  
If somebodys watchin  
You will never know

If nobodys watchin  
You will never know  
If somebodys watchin  
You will never know  
If nobodys watchin  
You will never know  
If somebodys watchin  
You will never know
