B TO B in the place to be (Action)
Ready, Set, Action

We broke up yesterday I really canâ€™t believe it
Thereâ€™s no need to comfort me oh girl

I really loved you,
I cared for you to death, But you left me
Why ma girl, without even a goodbye

Your heart was shaking, heart racing times were gone
My heart aches, I canâ€™t even sleep, Oh I hate you

I eat & sleep, toss & turn, Tears come at thoughts of you
Out of frustration, I went out for a drive
And at the music playing Beep beep beep beep

The traffic sounds are getting to me babe

No matter how much I think, I canâ€™t figure out
My frustrated heart I canâ€™t eat, drink or sleep
Thanks for the presents you gave me but
I wonâ€™t accept anymore because Iâ€™m about to explode
Honestly, I feel like crap right now
What do you want me to do? Stop honking
Itâ€™s complicated enough as it is

Your heart was shaking, heart racing times were gone
My heart aches, I canâ€™t even sleep, Oh I hate you

I eat & sleep, toss & turn, Tears come at thoughts of you
Out of frustration, I went out for a drive
And at the music playing Beep beep beep beep
The traffic sounds are getting to me babe

Babe, outside the window
Babe, the weather today is so bad
Why is it so bad?
Babe, you used to sit
Babe, next to me but in this empty room
Only our memories fill up the place again today

I eat & sleep, toss & turn, Tears come at thoughts of you
Out of frustration, I went out for a drive
And at the music playing Beep beep beep beep
The traffic sounds are getting to me babe

Ay ay thereâ€™s a lot of traffic
Iâ€™m half out of my mind and I keep honking, beep beep
I drive as soon as the light changes
Should I do a one man show in highway? I donâ€™t know
Hit me if you wanna hit me, I lost her anyway
Will you come back if I pretend to be crazy?
Itâ€™s getting serious, Iâ€™m looking for the Han River Bridge
Iâ€™ll just end up screaming my lungs out anyway oh god

Beep beep, the sounds are getting to me
Beep beep beep tears are coming
Beep beep, I eat and sleep and toss and turn
Beep beep beep, tears are coming
