Dancing at the Blue Lagoon

Cayucas

The long and windy road
feel the wind a'blowing in
No street signs, no flashing lights
Just 3 letters on a neon-lit sign
Telling stories
Going down in 56' off in the Egyptian peninsula
Barbados cooler
A dead-mans bones
A drippy-eyed girl
There she was
There she was from across the room
She was dancing in the Blue Lagoon
And the smoke filled up the room
There's only lonely hearts and a lonely casino
She filled the cup up with the nickels as they fell
He said he shot a man dead
Barbados cooler
A dead-mans bones
A drippy-eyed girl
There she was
There she was from across the room
She was dancing at the Blue Lagoon
Yeah she was dancing, dancing, dancing
Yeah she was dancing, dancing, dancing
Yeah she was dancing, dancing, dancing
Yeah she was dancing, dancing, dancing
