you know that what you see is what you get
and i will try to make you happy
il show you things you wont forget
if you wanna take the risk well i do too
we got a night to make it up
there's you plus me plus loveyou say i got a fantasy
well il try to make it happen baby 123Just chillax try letting it go
There aint nobody better in the world u know
and I wanna give my loving to ya
As long as we can stay on top
So talk to me and let me no
You realy got to tel me whats the dealio
Coz I wanna give loving to yai know whats on your mind i think it too
