Life Is A Flower

Miriam Bryant

Show me your free world
Then feeling down a while
Down 'cause I've been
Too high and stayed with you
When every race is run
And the mountain is closing in
I don't care about the world
I'm living off the highDon't cry for me no, just show, oh, oh...
...me your free world
Then feeling down a while
Picture us smiling
And the world will smile with you
You are a flower
Growing in my heartGrowing and smiling
And I will smile with you
I Want you to be my judge
Sentence me for life
Can you keep me inside
And hide me from the world?A secret I don't mind
As long as you don't mindShow me your free world
Then feeling down a while
Down 'cause I've been
Too high and stayed with you
You are a flower
Still growing in my heart
Growing and smiling
And I will smile with you
Please Mr. Agony
Release them for a while
Teach them the consequence
Of living without life
Please fix your agony
Give it all to me
I'll take all concequence
As long as you are mine
Please, please
I need...
Please, please
I need...

Free world
Then feeling down a while
Down 'cause I've been
Too high and stayed with you
You are a flower
Still growing in my heart
Growing and smiling
And I will smile with you
I will smile with you
I'll get high with you
I will smile with you
I'll get high with you
