Government Loans

The Long Winters

Don't give any cake to the blonde one
Maybe she'll be an artist
She'll do it or she won't

She's in line for some government loans
You know the hard times're gonna come

The murderer's shoes are spotted
He sees his persecution there
He knows he won't be forgotten

He's in line for some government loans
You know the hard times're gonna come

This whole thing with my knees is heartless
I'm not the only one feeling old
I want due consideration

I'm in line for some government loans
You know the hard times're gonna come
