The Ascension

Rave The Reqviem

I am swimming in a sea of disgrace
Drowning in a medical haze

But my heart is at the brink of dessication
Bled out to keep pride in love
No love lost
No love found
Damnation from any God above

Now I stand the fool
In the play I thought I wrote
She is still summer heat
I am April snow

It was Jesus who tempted the Devil in the desert
And the Devil who said no

NAIL ME
CRUCIFY
ENSLAVE ME
END IT ALL BY DRIVING A STAKE INTO MY HEART

HOLY MARY
LET HER TAKE ME
ROLL BACK THE STONE
FORSAKE ME

I WON'T SACRIFICE ETERNITY AS GOD
I BELONG TO THE SKY
