Coming Back Again

Clay Walker

I was breathin' but Lord I was barely alive
Findin' reasons for losin' the will to survive
I pushed the heart far beyond what it could take
Sometimes something's gotta break
Now it's alright, I think I see a light there up ahead
Yeah, it's alright, I think I've finally risen from the dead
The fire inside of me was gone like the wind
Now it's stirrin' within
It's coming back again
Down in the ashes of a light that I let bury me
One hand pullin' me under, and another tryin' to set me free
In the struggle, I know I lost my way
Somehow I never lost my faith
Now it's alright, I think I see a light there up ahead
Yeah, it's alright, I think I've finally risen from the dead
The fire inside of me was gone like the wind
Now it's stirrin' within
It's coming back again
Sometimes you stumble over steps you never take
Sometimes you learn from your mistakes
Now it's alright, I think I see a light there up ahead
Yeah, now it's alright, I think I've finally risen from the dead
The fire inside of me was gone like the wind
But now it's stirrin' within
It's coming back again
It's coming back again
