Somewhere Else

Bebel Gilberto

Follow your dreams
just be careful not to lose your dreams
'cause then you might trip, flop, drop
so then you can go somewhere else,
somewhere else, somewhere else.Follow your heart
listen to the birds, look at the moon
meanwhile you take a long, long walk
so then you can fly somewhere else,
somewhere else, somewhere else.somewhere else (7Ã—)
Vem, olha ali, passarinho pousou pra te ver
e mostrar o que poderia ser,
um lindo novo dia pra gente se amar, se amar.
Vem olha aqui, deixe iluminar seu coraÃ§Ã£o
pra sentir uma nova emoÃ§Ã£o
so then you fly somewhere else
somewhere else, somewhere else.
somewhere else (7Ã—)
Somewhere else, you can go somewhere else
you can go, you can go, you can go
you can go somewhere else
you can go, you can go
Close your eyes now, think about all the good things around
so you can dance forever now,
so you can fly somewhere else, somewhere else, somewhere else.
Follow your heart
listen to the birds, look at the moon
meanwhile you take a long, long walk
so then you can go somewhere else, somewhere else, somewhere else.
You can go somewhere else
Somewhere else (16Ã—)
You can go, you can go
you can go somewhere else
somewhere else.
