

Sugar Lips

Sworn In

Drain me out
Leave me to dry
All I ever did was try, try, try
Why, why, why?
Nights spent crying to a blank stare
You don't care Now why don't you tell me the truth
So sweet you hurt my tooth
Now you tell me that you don't wanna hear it anymore
Because what?
Life's a bore
Life's a bore, bore, bore
Now why don't you tell me the truth
So sweet you hurt my tooth
Now you tell me that you don't wanna hear it anymore
Because what?
Life's a bore
Life's a bore, bore, bore Sugar lips, sugar lips they make me weak
Take back every bitter word I speak
Sugar lips, dirty kiss is this the peak?
Cause things are still looking bleak darling You're so sweet, so fucking sweet
Take my fill until I can't eat
So take me in and use me up
If it makes you feel alright I won't put up a fight Sugar lips, sugar lips they make me weak
Take back every bitter word I speak
Sugar lips, dirty kiss is this the peak?
Cause things are still looking bleak darling
Let me lick the dust off your lips
Bring me in with your hips
Tell me to take just one more sip
My mind's about to fucking slip Have I had too much this time?
Drunk off of the blood red wine
Tell me you love me
Say it, say it, say it
You owe me that so pay it, pay it, pay it Can't you hear me screaming that I love you to death
And I don't really care if my name is on your breath Can't you hear me screaming that I love you to death
And I don't really care if my name is on your breath Say my, say my name what? Say my name
Say my name
You're my favorite little game
And it's such a shame

Things will never be the sameSay my name

 Say my fucking name

 You're my favorite little game

 FuckSay it, say it, say it

 Say it, say it, say it
